“ *My deepest thoughts and prayers are with the family. Mrs. Casey was a strong spirited, sweet lady. Mrs. Casey was considered a 2nd mother to many of us growing up. She was compassionate and understanding, but also stern and fiery when you needed it. Growing up she kept many of us boys in line. Mrs. Casey was an inspiration to many of us. She and Roy were role models and provided many of us great examples of how we should live our lives. We love you!! You are always in my thoughts. You will be greatly missed by so many!!*

“ Sandra and I were classmates and friends. We reconnected the last few years since Roy passed away and my husband passed away as well. We would talk about memories, family. Sometimes we would just laugh the entire conversation. I sure will miss our phone calls. Sandra was a very special lady and she will be missed greatly. Chris and Keith, she was very proud of you both and your families. My prayers are with all of you.

“ My deepest sympathy to the family of Sandra Casey. I grew up with Sandra in Rosebud, Tx. She was a dear friend and classmate. She had so much love for her family. She and Roy had such a love for each other that shows how long they were married. Sandra will be missed by all who knew her. She doesn't have to suffer anymore. She is at peace. Thankful that I knew her all those years.
