“ So very sorry to hear of Sandys passing. While I lost touch with her after college, I'll always remember her smile, warmth, humor and how she approached everyone as if she'd known them her whole life!

“ I worked for sandy at the surplus store from a young age. She took me under her wing and helped me learn business edict, how to balance a checkbook, how to drive, and so much about sports. I have so many memories of watching little house on the prairie, our favorite, along with Star Trek voyager. We loved Jane way and seven of nine 😊.thanks to sandy I can stand to watch Tennis, women's softball, and golf.. I'm sure she would be so proud of my swing 🏏 🏠 ♀. She loved some good crawfish étouffée. I am so thankful for all the memories we got to share. And I will forever be grateful for the wisdom you passed on to me it is now flowing on to my daughter. Your spirit will be with us always. Love you sandy rest easy now.

“ I first met Sandy at the Elks Lodge. She would come in and watch Wheel of Fortune, she would be happiest when all contestants walked away with good money. She loved the Astros even though she would sometimes call the the a-holes. Sandy then hired me to work at the Surplus Store and helped me get through my final years of college. I am forever grateful for her kind heart and overwhelming generosity. With love Jordan Soose.

“ I have a lot of great memories of time spent with Sandy. I am so saddened to hear of her passing. We spent a lot of time on the golf course, going on trips to Mexico, socializing at Borski's, playing softball, watching which ever sport was in season. Sandy will be missed by many. Rest in peace dear friend.
