“ *My condolence to Sontos's family and friends. He will be missed so very much ! I have had the pleasure of working with him for almost 14 years.*

He was funny and usually had a smile on his face. He enjoyed putting smiles on others faces with his fun loving personality. He was always joking and teasing with someone and making all our days brighter .He could always make me laugh!! But more than anything, I will remember him for his heart ! His heart was bigger than he was. He had a special place in his heart for children and animals. If he would see a stray dog he would go back to take it food.He would save them all if he could have. Seeing him with my Grandchildren would melt my heart. He was gentle,protective ,loving and sweet. To my grandchildren he was Uncle Sontos. We are all going to miss him dearly. He spent so much time being a blessing to so many in one way or another. He loved the Lord and now I will tell my grandchildren he's their angel watching over. I have been blessed to have known him ! He was loved by so many!
