“ My Mother in Law was an amazing woman! When John and I started dating she took me in immediately as family. I will never forget that. She showed our kids what the love of a Nana was all about. They adored her, as she did them. She touched so many people in different ways, but for our household we gained a new angel to watch over us. We love you Nana.

“ I'm a better person for knowing Sarah. I was always happy to be around her. Not only was she one of my best friends, she was also a joy to work with for nine years. She made work a pleasurable place to be. My heart goes out to Pete, Lizzie and Cody. I will greatly miss her. I love you Sarah.

“ It’s been a long time when Lizzie and Nicole were kids but remember many conversations with Sarah at her house in Sheldon woods. She was such a nice lady and loved cats. Have a video of Nicole calling Lizzie at her house phone back when we still had those lol anyway Nicole liked calling so she could hear Sarah’s voicemail and would mock it “It’s the Browns, you know what to do!!” She will truly be missed❤️❤️

“ Ms. Sarah was like a second mother to me. I’ve known her what seems like a lifetime now and it hurts not to have her in this world anymore. We are all gonna miss you mom... Love you always.

“ I met Sarah when I was 17. I was hitch hiking in Spring Branch and she picked me up in a 1934 yellow Ford pickup truck. We stayed true and best friends until the end. We had so much fun together back in the day and she was the most awesome and amazing friend that anyone would be proud to have. Love you my dear friend and will miss you dearly.
