Scott Quincy Aaron

May 31, 1978 - May 1, 2024

Scott Quincy Aaron passed away on May 1, 2024 after a month of battling with complications from a massive heart attack.

Scott was born on May 31, 1978 in Jasper, Texas and moved to Flower Mound, Texas early on in his childhood. After graduation, Scott joined the US Army in 1997. He traveled the world and served his country proudly. With tours in Iraq (2004-2005) and Afghanistan (2008-2009).

His greatest love in his military career was being a crew chief/aviation mechanic for Chinooks and Blackhawks. Scott retired on September 30, 2021 from the Army with 25 years of service.

Soon after, he found himself being a fix-winged aircraft mechanic on the civilian side. When he wasn't working, he could be found in his garage working on a project, repairing something for someone, being with his family and friends, heading out to fish or riding his Harley! Scott also took care of the people he loved. Always the protector and checking on those he knew.

Scott met the love of his life, Nha in 1995 in high school. They started dating in 1998. Excited to start their life together, the two were married on July 21, 2003. Scott is also survived by his children, Makayla, Julien, Tyler & Scott Jr. As well as his parents, Natha, Mikel & Brenda and 2 brothers, Corey and Bryan. Scott had a soft spot for his fur children Louis, Bella and Gunner. Treating them as a valuable member in the family.

He lived his life as an amazing man. Loving husband, doting father, loyal friend and always had someone's 6. Scott loved hard and many loved him as much! Brothers & sisters in arms, close friends that he called family and great colleagues/acquaintances will continue to carry memories of him.

An Honor Flight Ceremony was held at David Wayne Hooks Memorial Airport for Scott on Friday, May 31, 2024, followed by a private Celebration of Life at Honor Cafe in Conroe. In lieu of flowers or monetary donations, please continue to send prayers and condolences for the family.

“ *Knowing Scott is knowing a man of true honor and dedication. My name is Larry Westmoreland, SFC retired. Scott was my roommate during my first deployment 2004, in Balad Iraq. It was a very difficult time for all of us, in Iraq and at home. If I didn't have Scott as a friend and colleague, I would've been in lets just say, I'm not sure I would have what I have today. I called him the fixer. There really wasn't anything that he couldn't accomplish. I will never forget him. I was blessed to know him. Thank you Scott.*
