

Scott Aaron Selman

August 21, 1991 - November 24, 2016

Scott Aaron Selman, 25, of Huffman, Texas, died November 24, 2016 as a result of injuries sustained in a motorcycle accident as he was traveling to see his family for Thanksgiving. He was born on August 21, 1991 in Houston Texas, the son of Ronald Selman and Judy Leggett. He attended both Coldspring and Livingston High Schools until he settled on a mechanic job in the Huffman area.

Scott's greatest passion was his motorcycles; he was a gearhead if there ever was. He could frequently be found in his garage working on anything with a motor, and if you ever needed a hand with your vehicle, Scott was always there to lend a helping hand. He was a goof and had an unmistakable smile and sense of humor. He always knew what to say to make everyone in the room crack a smile, whether it be a corny joke or interesting observation on life. He was full of character and will be deeply missed.

Scott is survived by his parents Ronald B. Selman and Judy Leggett; his sisters Candice Bennett, Amber "Nikki" Rawline, Rachell Freij and Erin Garcia; his brothers Kendell Dee, Steven Rawline, Floyd Price II, David Garcia Jr., and Ethen Garcia; his paternal Grandpa Ronald L. Selman; his aunts Gay Lynn Garza, Hollie Sweeten, Norma Johnson and Krista Selman; his uncles Eloy Garza, Glenn Leggett and Clint Sweeten. He also left behind many cousins and friends who were his extended family.

The family has asked that you consider helping with the final burial expenses and any donations can be given directly to Candice Bennett or Gaylynn Garza.

Funeral arrangements are under direction of Sam Houston Memorial Funeral Home in Huntsville, Texas. The family will begin receiving friends at 10:00 AM with the funeral services to follow at 12:00 PM on Wednesday, November 30, 2016 in the chapel at Sam Houston Memorial Funeral Home, 1700 Normal Park Drive, Huntsville, Texas.

There will be a celebration of Scott's life at the "Ranch", the home of Gaylynn Garza immediately after the services.

“ *Where do I even start?! My brother, my best friend, my Scotty pimpin. You were the most AWESOME brother any little big sister could ask for. We fought, we cried, we prayed we bled, we played. I CANNOT even begin to explain how much this hurts and how I just want you to call me and say what are you doing sister. From sneaking out to just running around the 100 acre wood we always had fun. Omg how I wish you were here!!! This is the first song on his favorites..of course its metal...lol.*

“ *"Scotty boy" is what I called you when you were a baby. I remember you hugging on me like a little bro. It was just a couple of months ago since we last talked on the phone. I wish we had more time to catch up. People remember to let those you know that you love them, cause you never know when someone time it up on this earth. Scotty boy I will miss you dearly.*
