“ Sergio, working with you the last 10 months was a pleasure. Always smiling, laughing, and cracking jokes. I will miss you making fun of my flip flops daily, yelling “BABY DEEEE” across the office randomly, and just harassing me in general. There is definitely a void in this place with you gone, your huge personality will be greatly missed. Just know you are in a much better place now. Rest in Peace my friend.

“ Sergio although I only knew you for a year, you seemed like a life long friend, with your crazy sense of humor, your ability to make others laugh was amazing. You will be missed brother.

“ My dear friend, words cannot fully define the type of person I knew you to be. But if words had to be chosen then I would describe you as Caring, funny, determined, full of life, and most of all my friend. Caring because you always put others before yourself, funny because there was never a dull moment in each others company, always cracking jokes that would make a depressing day seem not so bad. Determined because you always wanted to get to the next level and never gave up even when others felt different. Lastly I say friend, because everyone that came across you became your friend. It was my pleasure being your friend because your heart was pure and I can truly say you will be missed.

We don't truly understand why things happen, but the best way to understand is knowing that our heavenly father has plans for you and called you home! Watch over us and till we meet again!

Sergio was someone that will live in our heart for ever... For those who knew him from our Omron Family.. he always had a joke to tell... whether it was funny or not he didn't care... as long as he could make you laugh he was content. He always put a smile on my face... He will be dearly missed... He was a friend to anyone that needed a friend...

Prayers go out to his family and friends that will surely miss him... Our hearts and prayers are with you...

“ I worked with Sergio for almost 9 months at Omron and at that time I got to know him very well. I good guy that always had jokes and a smile for everything. May God have him in his glory. “For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. I miss you Sergio, but I know one day we will see you again.

“ I worked with Sergio at Omron for six months and in that short time, got to know him as a happy individual who always had a smile on his face. To quote Billy Joel "Only the good die young", and this hit pretty close to home as my son will turn 33 this month. I will miss you Sergio and I pray you have eternal peace and tranquility.
