Everytime I pass a Merle Norman's I think of you and Sharon and I trying out all the samples you would bring home. Please let me send my condolences and prayers to your family . This picture of Sharon is beautiful and just as I remembered her. With Love, Melissa Murray

I know she is so very proud (I am, too!) of all of your accomplishments & believe there is nothing YOU can't do when you set your mind to it!! We loved the years you were like a part of our family...& have so many funny memories. I'm not able to attend any service but please know that you are in my thoughts and prayers. “ I am so sad to miss my Sharon or as we called each other the past 40 years REOW..our code word ..it was a cat's meow named Crystal she had. IT went into heat and kept making the Reow noise like a yell so we adapted it to our lingo. Sharon and I had so many grand times back in the 70"s ...she was a roommate if mine ..I will never forget her as long and I live. ...

“ I was so sad to read about this. Sharon was a mother to me for about 13 years. I stopped to see her a couple years ago when I was passing through and was so happy to be able to spend a couple of hours with her. She was always kind and loving to me and even after not seeing her for several years, she treated me like a son. I loved her. Peace and blessings to all the family.
