“ Sharon Redden is truly missed by all who had the pleasure of knowing her! She was a genuinely kind, gentle Christian woman; especially miss her at Christmas as she absolutely loved Christmas and decorated every house we shared to the hilt! She loved the joy in the message of Jesus coming into our broken world, the music, the movies, everything about the season! And now she has the incredible joy of seeing our King face to face!

“ I knew Sharon while working at Camp Cullen OEC, starting in 1988. From my first days at the Program she was always kind, thoughtful, genuine, helpful and caring. Her example of working with kids who were homesick, ill, sad was a powerful lesson for me, learning how to understand & work with children. She was a sweet friend! My wife too knew Sharon and was touched by her kindness and wonderful work with the children. Although I had lost touch with her in the subsequent years I am deeply saddened to learn of her passing. I wish to send my sincere condolences to all the family, and want thank the family for helping bring up such a lovely person. Sharon's deep faith in the Lord was always evident and an example for all those around her. No doubt the Lord has called her to joy in heaven. God Bless the family and Sharon's blessed soul. “ I am so sorry to hear about Sharon's passing. Sharon, you were loved by so many of your camp friends. You were a friend to everyone and one of the sweetest souls I have ever met.

“ *Sharon was a beautiful soul. She was always positive and friendly, and so much fun to be with!*

We are praying that God will bless Sharon's friends and family with peace and grace in knowing she is with Him now. She was taken so suddenly and we don't always understand that, but we know we can trust Him, and His plan is always best.

To our sister, Penny, we know that you will have a 'new normal' now, and we are praying for you, too. We know she was a dear friend and you will miss her terribly.

The best gift Sharon gave us is the confidence of her relationship with the Lord, so that we have no doubt she is in His presence now. We praise God for her life well-lived.
