“ To Sheila's family,

*I am so very sad, and sorry to hear about Sheila! I went to St. Kilian grammar (class of 1960), and Academy of Our Lady, (Longwood), (class of 1964) high school, with her, in Chicago. I talked with her a couple of times on the phone while we were planning our 50th class reunion from St. Kilian. She was the same sweet, happy, funny Sheila, I remember when we were kids. Always cute, positive, and smiling. I am so depressed, to know that I will not see her at our 50th Longwood class reunion, next year.*

*May all your wonderful, happy, funny memories, comfort you now, and in the difficult days ahead. I know she is with her family, and old dear friend, Betty Bush Forrer, who was always with Sheila. Where ever, when ever, they were always together! So I know they are reunited again. God bless you, dear Sheila. We will never forget your beautiful smile, and happy, up-beat personality. Until we meet again, may God hold you in the palm of HIS hand.....*

*Love, Kathy*

“ Dear Gerald, our hearts just hurt for you. We know the wonderful relationship you shared with this lovely, special woman. Since the moment I met Sheila i was in love with her extraordinary love of life. It radiated from her and anyone around her felt the contagious fun and energy she radiated. A true tragedy to lose her at this young age. Our prayers for you are that as you grieve those wonderful memories of your time with Sheila will fill up your heart and comfort you for the rest of your life. How blessed are we that knew her.

“ Gerald, I am so sorry to hear about Shelia. In the short time I knew her, I can't recall a time that she wasn't smiling and making those around her feel as though they had been life-long friends. As much as a loss as this is to our community, I can only imagine what a loss this is to you and your family. May God's grace see you all through the days and weeks to come.
