“ *I will never forget the first time I met Sheri. Her warm personality made me feel I had known her my whole life! She loved sharing family stories and always made me laugh with her wonderful sense of humor. She found good in every situation. The last time I saw her, she smiled and told me that the great thing about losing your hair is that you get to wear wigs and change your hair color whenever you want to. What an amazing way to live! She loved life and didn't fear death. Her spirit will always live on in each of us. I pray that your years of happiness and many good memories will give you peace during this time of sorrow.*

“ *Dr. Meeker - You and your family are in my thoughts and prayers. I have such fond memories of the both of you and consider myself incredibly lucky that my life was touched by the two of you (so long ago!) I know that you will find strength in God and knowing that Mrs. Meeker is much better off where she is today! I remember seeing her just this last fall at the library and am so glad that I was able to see her. Her positive attitude was so awesome to me. I just pray that I can always have the kind of faith that she had! I will keep you in my prayers!*

“ I consider myself incredibly blessed to have had the privilege of having Sheri as a friend. She was without a doubt a very special person. Over the years and distance she always recieved me as a friend and extended this friendship to my family as they came along. We are blessed.

I can only imagine your heartache but I know that our Redeemer is faithful and we will meet again.

You and your family are in our thoughts and prayers. Keith Estes

“ I agree Steve- my sweet friend HAS graduated- on to what we are all striving for and continually having faith in God for on a daily basis. For some, it is an easy journey, for others, a little more difficult, but wow- the ceremony when the Lord of Lords "tosses that tassel" is incredible. I love you truly. My heart is with you and the kids. Your friend, Terrie Estes

“ What a fun semester at M.C. College with Prof. Sheri Meeker as my psychology teacher. She had a special understanding of the young ones trying to find their way in a new environment. We always enjoyed the stories about her family. She was a special person and she made an impact on my life for sure. She spoke to me every time she saw me on campus. She will be missed. “ I'm so sorry to hear of your loss. Dr. Meeker, you and your family are in my thoughts and prayers. I'll never forget the kindness you and Sheri showed me when my own mother passed away. I still have the copies of the pictures you gave me years ago from a book my mom showed you during a staff development. They mean the world to me. My prayers and my thoughts are with you and your family, and I have no doubt that my mother was there to greet Sheri along with so many others whose lives she touched.

“ Mr. and Mrs. Meeker were my teachers at Montgomery Intermediate and I also had the pleasure of running into Mrs. Meeker many years later at Montgomery College when she was my psych professor. We laughed about Montgomery Intermediate, as she taught us "the birds and the bees" and Mr. Meeker played "Up you Knows" with us. I was glad I got to have her as a teacher when I was older, she was a wonderful person and a great teacher. I am so sorry for your loss but know she is no longer suffering and is in the hands of God. You and your family are in my prayers.

“ Steve, I'd like to agree with Isaiah for Sheri,

Isaiah 55:12
(NIV)

*12 You will go out in joy
and be led forth in peace;
the mountains and hills
will burst into song before you,
and all the trees of the field
will clap their hands.*

“ Many of us at First Assembly of God Church in Huntsville, remember Sheri and were warmed by her caring smile, her words of encouragement and by her quiet assurance in Christ. I was privileged to be secretary (and still am) while Sheri was a counselor here during 1998/99. She will be greatly missed but we know she is in Jesus' presence and awaits her family and friends and that great day when we shall all be together with Jesus (1Thessalonians 4:16-18). We know God's peace is over you Steve, and your family. God Bless.

“ I have known Sheri and Steve for many, many years. Sheri's smile was infectious and she brightened up every room she entered. Her love for her family and her faith in Jesus were always an inspiration to me. I always looked forward to seeing her come to the library to check out books or laugh at my jokes (even when I knew they weren't that funny). I will miss her dearly but I rejoice in knowing that her pain is over. I pray that my faith will be as strong as hers was.

“ I worked with Sheri for one year at Mitchell Intermedidate in The Woodlands. She was the 504 coordinator and counselor while I taught the dyslexic students. I always enjoyed working with her. She spoke often about her love and devotion to her family as well as to the Lord Jesus Christ. I'm so sorry for your loss but I rejoice in the fact that Sheri is with Jesus. I know you share that comfort too.

Sincerely,
Iris Guinn
