

## Sherry Lynn Alexander

January 23, 1963 - May 29, 2022

Sherry Lynn Alexander went to be with her heavenly Father after a courageous battle with cancer on May 29, 2022, at the age of 59. Sherry was a loving mother, sister, daughter, and friend. She was born January 23, 1963, in Corpus Christi, TX to Patricia Younglove and James Don Alexander. Sherry moved to Willis, TX with her family and graduated from Willis High School. She was a proud member of the Sweethearts drill team and had a love for dance and socializing throughout her life. Sherry found the most joy in life's simple pleasures such as conversations with friends, beach days, and summers on the lake. Above all, she cherished her time spent with her family and friends. Sherry loved her daughters and took great pride in being a grandmother to her 5 beloved grandchildren. Sherry was loved by many and will be dearly missed and always remembered.

Sherry is preceded in death by her father James Don Alexander and maternal and paternal grandparents. Sherry is survived by her mother Patricia Miley; beloved daughters, Kayla (Blake) Moore and Trisha Lewis; her grandchildren Saylor, Natalie, Halie, Valerie and Tyler; and her brothers Jerry Don Alexander, James David Alexander and David Miley. Sherry requested a celebration of life be held in her honor as opposed to traditional funeral services. We invite all of Sherry's loved ones to join us in celebrating her beautiful life on Sunday, June 12th from 1-3 pm in Conroe, TX. If you would like to join, please reach out to Kayla (713) 876-4588 or Trisha (936) 363-

“ *Sherry was a mom to me when I really needed one. She took me in multiple times, or was always there to talk to me and give me advice. I was a stubborn lost teenager, and she did nothing but her best to lift me up. I'll always remember her kindness and love towards me and my family. Sherry will be deeply missed by many. Our deepest condolences are with her family.*

“ Aunt Sherry you were the best aunt anyone could have. I remember staying with and the girls during the summertime in Willis. It was fun and you were always there with a smile. I’m grateful for the extra time we got with you. I love you so much. You will be forever missed.

“ Sherry was 10 years old when we met in Willis Tx. Jerry, Ronald, Sherry and myself played around our homes. We became the best of friends. I loved us being friends. Soon we grew up and became moms, Sherry was firs our little Kayla was born. Life kept on moving. Two daughters and 5 grandkids later we are still friends. My heart is broken and sad. Please know and remember how much I loved you my sweet beautiful friend. I will see you again someday.
