I am sorry to hear about the death of your wife.
Losing a spouse at our age is a hard thing. She must have been a wonderful person from reading all the condolences in this book.
Always remember you will see her again. It is hard to believe now, but the sun will shine again.*

Again, I am sorry to hear of your loss.

“ I have such fond memories of my Sweet Aunt Sherry.... I looked up to her as a little girl. She was so sweet to me. She would play the piano and teach me to play along side her, and sing with me when I was a little girl. I loved the sound of her laugh! You could not help but laugh when she did. Sometimes when she would babysit me, we would make home made fudge on the stove, and it was the best chocolate ever! I still can not duplicate it. She will be missed here on earth. My prayers are with My Uncle and family throughout this difficult time. She loved and touched many people's lives, including mine.

“ Sherry was a very dear lady who will be missed by all who knew her. I will never forget her kindness and unique sense of humor. I have many happy memories of her trying to "Americanize" me and Lindsey when we first came here. There will never be anyone quite like her, ever. God bless you Emmett and family.

“ I know these are some difficult times for all the Pughs' and Adkins'. James and I are praying for the peace that passes all understanding for all of you.
I started thinking of Sherry and many adjectives come to mind: compassionate, generous, kind, loving, gracious, smiling, and always planning something. We will all miss her but never forget her.
She is there beside Jesus taking it all in! How glorious!

“ Emmett, I was greatly saddened when I heard of Sherry's passing. You and Sherry were very special to me during our time at Lazybrook. When I think of her I can hear her laughing. I will keep you and Shannon in my prayers during this time. May God give you both the comfort that only He can provide.
