“ I was in the same Contracts team as Sherry and worked very closely with her for many years. She drove me crazy with her extra large spreadsheets and formulae, but she was a great joy to work with. And she became a friend. She fought bravely til the end and she will be missed terribly.

My condolence to Brent and family.

I met Sherry through our work in contracts and compliance. She was based in Houston and our other team members were in California and Washington. I thoroughly enjoyed Sherry's upbeat attitude professionalism and grace as we worked on several projects together. She will be sorely missed.

Sherry and I met through our husbands over 30 years ago and we became good friends. She was dedicated to her family and to her work. Sherry was a wonderful cook and always happy. When Sherry was initially diagnosed I just could not believe it. Sherry never gave up. Sherry fought the good fight with her husband by her side. I look forward to celebrating her life this Saturday.

My condolences to her family and may you keep all the happy memories of Sherry in your heart.

“ I pray that God will give you and the family strength and courage in your time of bereavement. Take comfort in friendship, prayer, and peace in love.

I met Sherry in a Bible Study class, we went through 5 years of study, what a wonderful person she was. I will miss sending her cards, she always told me how much she loved getting them. More than that I will miss her so much, but I know she is in God's arms and is hurting no more.

“ So many memories of all the cousins sledding riding and playing on DeVore Rd. Family dinners gathered together with Grandpa & Grandma Hinkson. Just being silly kids. We are all grown now, some are together with you in heaven and some are still here carrying on in our lives until we are all together again. Our heart felt sympathy to you Brent and your family. Prayers for you, that you will find strength to carry on. Love Ron & Janet Baer.
