

Shirley Ann Coleman

November 25, 1943 - January 1, 2016

Shirley Ann Coleman was born November 25, 1943 at home in Bedias, Texas to Opal Lowery Coleman and Frank F. Coleman and was welcomed into the loving arms of Jesus on January 1, 2016. Shirley spent her childhood on the farm in Bedias and graduated from Madisonville High School in 1962. After moving to Huntsville in 1963, Shirley found her life-long calling working at Huntsville Memorial Hospital in the newborn nursery. For 37 years she loved and cuddled her little “goobers” and treated each of them as her very own. If you were born at Huntsville Memorial Hospital between 1964 and 2001, you most likely received your first bath and swaddle from Shirley and she believed each and every one of you were a special gift from God. There was a funny (and true) story passed down for years how one day the fire alarm went off and staff were not expecting a drill. The nurses at the main station looked up to see Shirley rushing from the nursery with four babies in her arms as she headed to the stairwell. The nurses said “Shirley, wait!” but she was on her way out the door and said “I’ve got the babies, you all need to come on!”

Shirley was predeceased by her parents, Opal and Frank Coleman, brother, Ronnie Coleman and brother-in-law, George T. Williamson. Those left to cherish her memory include sister, Imogene Williamson, brother, Johnnie Coleman and wife Barbara; nieces and nephews, Barbara Brophy (Cavan); Rodney Coleman (Melanie); George Williamson; Teresa Stout (Jimmy); Josh Coleman and Crystal Coleman; as well as numerous cousins, great nieces,

great nephews and two great-great nephews.

Shirley's family would like to thank Dr. Knight and his staff for their care throughout her life as well as the staff at Green Acres for their recent care. She loved her doctors and everyone she worked with at Huntsville Memorial Hospital.

Family will receive friends from 10:00 AM till 11:00 AM on Tuesday, January 5, 2016 at Sam Houston Memorial Funeral Home in Huntsville, Texas. A memorial service will follow the visitation at 11:00 AM on Tuesday, January 5, 2016 in the chapel at Sam Houston Memorial Funeral Home in Huntsville, Texas.

“ *Such sweet memories of this beautiful lady. She loved each and every baby she cared for and was so gracious to her coworkers. She will be missed. Prayers of comfort to her family.*

“ *One of the very first people I met when I came to Huntsville Memorial in 1979 was Shirley. As I was being introduced to the staff, it was with great pride that they (actually I think it was Anne Karr and Dr. Barnhart) introduced me to "the woman who has nurtured and cared for most of the babies born in Walker County; she has even saved preemies by feeding them with an eye dropper!"*

What a joy and pleasure it was to work with her and know her for so many years after that. She had an instinct for those babies, and if she said "you better come look at this baby," then you'd better go because she was never wrong! She was kind and loving and the epitome of a "team player," but even more, she was a wonderful person, loved by so many. My condolences to the family, there will be a big void in your lives, and she will be missed by many. Thank you, Lord, for the life of Shirley, and may she enjoy being in Your presence, and even seeing many of her "goobers."

“ Shirley was the kindest person I know. She cared so much for everyone but especially her "goobers". She was one of the first to love so many babies in Huntsville and the surrounding area. They were her own for a little while. I was privileged to know this amazing woman. Her smile was one in a million.

“ What do you say about such an amazing woman... I remember in nursing school she was so encouraging to us and taught me more about newborn care than any book could have and then after graduation when we worked together I really saw the depth of her heart. She did love her babies and thought of each one as a part of her own. When my John was born most assumed since I was a nurse I would know everything but I was scared to death. Shirley came in to talk to me and calmed me down, reminded me I wouldnt break him, and that the one thing he needed the most was love. She was a force of nature and this world will miss her: her heart, her laugh, her smile and her love. I feel it a privilege to have called her a coworker and friend.

Shirley was such a blessing with each of my four children. You could look at her and know she loved her job and truly cared about each baby at the hospital!!!
