“ *I have so many wonderful and funny memories of Mrs. Shirley. My favorite memory is when Ellie, Shirley, and I, would load up the lawn chairs, and head down to the lake to watch the sunsets. What I wouldn't give to have one more sunset talk with her. She was such a blessing to so many people. Mrs. Shirley, thank you for blessing my life, I will miss you and will see you again some day.*

“ Words cannot describe how special Ms. Shirley was to us. We started out as neighbors in Onalaska, TX and became incredible friends. We had so many special times – I think my favorite times were drinking coffee on the porch and then deciding what we were going to cook for supper.

There are no words to say that will comfort the family and friends as we all prepare to say goodbye to such an incredible lady.

Dan and Larry are living proof that Ms. Shirley and Mr. Bill were good people. They have raised incredible men.

*Goodbye my sweet friend – trips to the lake will never be the same-
Love you!*

*Precious in the sight of the Lord is the death of his saints. Psalms
