“ I will forever treasure the memories that I have with Sonya, Tina, Lisa, and Nancy. Sonya was beautiful, classy, and a funny lady with a contagious laugh. She always made sure that she was dressed to the hilt, make up on and hair done. Oh and lets not forget her jewelry. She loved her jewelry and wore it well. She always introduced me as her adopted daughter and I was very proud to be a part of her family. In these most recent years, I truly enjoyed visiting with her. We laughed, shared stories and some were of her most inner thoughts. I appreciated that she was able to comfy in me. I will miss her dearly but I know that she is in a better place today. I love you, Sonya!
