“ *Dear Anne & Family,*

Carol sent an email informing me Spencer is healed from his battle of so many years. I remember when we would go on the girl friends trips, stop by Huntsville & visit with you first. We always enjoyed you bringing us up to date on your family.

The tribute for Spencer was so beautiful, so glad to see the wonderful memories you have to help comfort you.

I know with God & so many wonderful family & friends, you will find the strength for each day.

You will be in my prayers & thoughts. Give me a couple of hours notice when you are ready for a girlfriend visit or trip.

God Bless you & give your comfort only he can give.

“ *Ann and Family*
I was so sorry to hear about your loss. I know he had been sick for so long..Just know that now he is well now and with one of his friends from home (Jack)and they have so much to talk about. He was another one who loved the kids of Huntsville so much and gave of himself to them. I miss my Jack so much but to know that one of favorite people is up their with him is a comfort and to know they are both well and strong again is a blessing.

If I can ever be of any help to you or your family please feel free to call on me.
