

Stacey Pegoda McChesney

June 10, 1969 - June 27, 2025

It is with great sadness that we announce the passing of Stacey Louise McChesney, age 56, on June 27, 2025, in Huntsville, Texas. Stacey was born on June 10, 1969, to parents Jay W. Campbell and Alice J. Copher in Joplin, Missouri.

She retired from the Texas Department of Criminal Justice after 30 years of dedicated service. She then went to work for the Carnival Corporation and was excitedly preparing to be a Chewtopian for Chewy, Inc.

Stacey is survived by her husband Charles; son Austin (Kailey); daughters Jolie and Katelyn; sisters Sherrie Smith (Scott) and Stephannie Allen; nieces and nephews Deborah, Mandy, Dalton, Megan and Truett; great nieces and nephews Elizabeth, Caroline, Emma, August and soon to be born George. She is also survived by her beloved fur babies Maggie, Snoopy, Zoey, Brax, Missy and Bella.

There is one special person, Melissa, we want to say thank you to for being Stacey's best friend, who never let her down.

Stacey was one of a kind and we will miss her and her happy soul. She truly loved her family and friends with everything she had. She will never be forgotten – we love you, Stacey.

A memorial service will be held on Wednesday, July 2, 2025, at 4:00 PM at Sam Houston Memorial Funeral Home in Huntsville. Memorial condolences to the family may be made at www.shmfh.com.

“ I was heartbroken to hear about the loss of Stacey—known to so many of us as "Spicey Stacey." I had the joy of working with her at Carnival, and she brought such a special energy to every call, meeting, or friendly chat. We shared many lighthearted conversations about crochet, and she was always ready for a good laugh—and of course, never without her beloved Dr. Pepper in hand.

Though we can't be there in person for the service, please know that a group of us will be honoring her in our own way—wearing purple and sipping Dr. Pepper all day long, just as she would've loved. In her memory, many of us have also come together to have a tree planted in her name, so it can grow forever in her honor—just like the love and joy she shared with all of us.

Sending hugs, love, and heartfelt prayers to you and your family.

Thank you so much for your kind words. She loved working for Carnival. I didn't know she picked up crocheting. I now have one of the blankets she made. I am so thankful.

“ I’m so sorry for your loss. Stacey was truly one of a kind. She was someone who brought warmth, laughter, and a whole lot of love wherever she went. Whether she was sipping a Dr Pepper, talking about her dogs, or just being her bold and unforgettable “Spicey Stacey” self, she made every moment feel a little brighter.

To me, she was more than a coworker she was like a second mom. She looked out for me, made me laugh when I needed it most, and reminded me to never take life too seriously. She was deeply loved and will be deeply missed. Her spirit lives on in all the lives she touched. We love and miss you Stacey!

To Charles, Austin, and so many more family members. I pray for comfort, strength, and peace as you navigate this loss.

“ *I'm sending sincere condolences to the family of Stacey. I worked with her at Carnival. She was my "hot girl". This news breaks my heart, because Stacey was such an AWESOME person. We shared lots of laughs. Especially when she found out what Sugar Honey Ice Tea meant. She thought that was so funny. I pray God wraps His loving arms around her family, and keeps them through this difficult time.*

“ *I’m sending my sincerely condolences to the family and loved ones of Stacey! I’m in total shock! I learned of her passing today. We worked for the same company and I used to be in the same department with her! I was saddened to learn she departed the company while I was on leave! And now she’s departed this life! 😭 I spent my lunch in tears today. I sent her good morning messages every shift I worked and she’d respond to me when she was working with a message back. I’d occasionally log in to find a message she sent the night before! I should have known something with her recent leaves from work. I’m sorry I didn’t ask if she were okay! I didn’t want to pry! My heartfelt prayers go out to her immediate family. GOD is with you and may HE comfort and wrap HIS loving arms around you during this difficult time. I personally miss Stacey! 🙏🙏🙏 Sincerely Mary W.*

“ *My love it was only 5 years but a life time of memories we created. Pictures and memories to show and tell the world. What I would give for one more trip, memory, day, God had another destination for you that has no end. Love you are free of the pain that you carried for years. Run and play and keep my place ready. For as selfish as I am to not let you go I love you more to let you go. Rest easy my love until I kiss you again. I love you more.*
