“ *Seems like it was just yesterday that we were driving with the music as loud as it would go, our hair blowing in the wind. And all those late nights of laughter and tears. And no matter what life threw at you, you always had that big beautiful smile. Your laughter was just infectious. I'm so grateful that I have those memories that we shared. You can rest now beautiful girl.*

“ Simply not "fair" and way too soon. Memories of us going to the Rodeo, shopping, cruising in her blue Grand Am with her blonde hair blowing in the wind, and hours spent at the ball park will always be my fondest memories of my Aunt Stacey. Love and prayers for all family and friends.
Aunt Stacey...may you watch over and protect your babies from above. Until we meet again, love ya.

“ I'll never forget the good times with you from you just coming over to the house so I could tell you all my secrets to us going to papa's ice house in spring singing karaoke. Your smile was infectious and you laughing could brighten my day. I love you so much and will hold our memories close. Rest easy Beautiful
