“ My heart just breaks. We were Junior High close friends all through Sr High. She lived right behind me in Clarksville. We frequently met at the fence to talk. We would walk the neighborhood after school until dusk! She drove a mustang in HS of which I had the pleasure of riding with her to school and back! We thought we were hot stuff..and we were, haha! So many fond memories of my sweet dear friend. I lost contact with her but through another close friend we reconnected in Houston about 4 yrs ago. I'm very grateful I had that time with her. She was a Gem and still is in my heart. God bless you all Missy May-Jeffers

“ Stacy was a longtime member of Crazy Yorkie Ladies & Dudes on Facebook and I had the privilege of meeting Stacy at one of our Jamborees. She was a strong lady who cared deeply for her family and pups. She was a great friend and was always there when I needed her. She will be so missed and the world will not be as bright without her here.
