“ *I never knew that there was a place here to send my condolences. I do miss my Uncle Stanley with all my heart and soul. We all miss him incredibly. He was definately one of a kind. He always wanted you to be upfront, bold, honest and be true to who you were. He will be greatly missed and I pray that all his family and children just keep him in there thought and heart and remember he would want to stay strong and know he is okay...*
