“ *Dear Jo & Stan and all your family. I wanted you to know you are in the thoughts and prayers of me and my family. I have so many fond memories of Stan and some wonderful Thanksgiving dinners. I never knew Stan after you moved to Texas but remember the vibrant, strong, healthy man he was in my childhood. I am so very sorry for your loss but know you will find peace in your memories of him and the love of your family.*

“ When life is speeding by, one must stop and say hello and ask how are you doing. Stan was that person that would stop and ask. His kind smile and gentle soul made us appreciate why we come to the lake. Stan brought peace to our family and our prayers are with the Gwinn family today and always.

“ Dear Jo Ann,
Not sure you remember me, but I was the Director of Nurses at Huntsville Healthcare recently and really "bonded" with Stan. He knew me by name and we often sat for long periods and visited. I remember he LOVED chocolate and Dr. Pepper and especially Hugs and Kisses. He dearly loved you, Jo Ann and talked often of the times you shared.
I was priviledged to know him and you. My thoughts and prayers are with you at this time.
God Bless You

“ Dear Jo and Family,
So sorry to learn of Stan's passing. Billy has kept me informed of the struggle both of you have been going through for some time, and while we are never ready to give our loved ones up, I know it a comfort to you that he is not suffering any more.
The Gwinn family and my family were so close when we were all growing up. Many of my childhood memories are associated with you and Stan, as well as Billy and Dickie. Clint joins me in expressing our sorrow at Stan's passing. We will keep all of you in our thoughts and prayers.
Sincerely,
Janice

“ Dearest Dad,
Thank you for being my father. You are my greatest hero and teacher even though I was not the best of students. I know that you are in the Lords hands and are pain free. Hopefully there are golf courses there because I know you have missed playing. So have I. One day in God's time maybe we can play again together. I may even finally win a game. Please know that I love you with all my heart and will miss you till we can meet again.

Your son,

Stan

“ May those beautiful yesterdays always remain in your heart, and your sorrow gently fade away. May you find strength in your faith, comfort in God's love, and peace in knowing your friends are praying for you. Into each life some rain must fall but sunshine does appear. It brings with it a rainbow and a message that is clear. Please know that you are not alone that we all hold you dear. Let faith and hope into your heart and keep your memories near. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5
