“ *A dear neighbor, who we called, grandpa, will be missed by all. Grandpa was such a jolly old man, he was never lost for words, always had a story to tell. He had a contagious smile and such a hearty laugh. He could brighten ones day with a simple "hello" Today he is in heaven above with his almighty Lord, I am quite sure he is having a joyful celebration with his parents, his children and loved ones who passed before him. Until we meet again, we can share all the precious memories of the past. God bless you grandpa, I know you are one special angel in God's garden. He only takes the best.*
