

Stanley Dale Plaster

January 1, 1938 - September 24, 2011

Stanley Dale Plaster Stanley Dale Plaster, 72, of Huntsville, went to be with the Lord September 21, 2011, at Solara Hospital in Conroe with his wife by his side. He was known as 'Stan' to his friends, Uncle Joe to his nieces and nephews, and the staff at Solara lovingly nicknamed him 'Pop'. The family would like to thank all the relatives, friends and caregivers who prayed and offered so much support throughout his illness and recent hospital stay. He was born 29, 1938, in Baytown (Goosecreek), Texas. Stanley is survived by his wife of 52 years, Diana (Killian) Plaster; his daughter and son-in-law, Marla and Micah Slaughter; grandchildren Misty Gonzales Gradick and her husband Shane, Landon Slaughter and his wife Nicole, Lindsey Slaughter McCaffety and her husband, Tyler, Shane Prather, and Logan Slaughter; great-grandchildren Evan, Lilly Mae and Aiden Gradick; brother Jerry Plaster; and sisters Grace Houston and Nell King. He was preceded in death by his daughter, Sandra Dale Prather; his parents Wilma and C.B. (Boots) Plaster of Madisonville; and brother, Don Plaster of Vidor. Stanley attended High School in Rusk, Texas and after several years working in road construction joined the Houston Police Department where he served a long career as Sergeant working primarily within the Vice Squad. Stanley achieved many accomplishments throughout his life, but will be most remembered for his devotion to family, especially the pride and joy he felt for his grandchildren and great-grandchildren. Before Parkinson's disease slowed him down, he also enjoyed golfing and hanging out with his close friends from the police

department. Arrangements are with Sam Houston Memorial Funeral Home in Huntsville. Funeral services will be held Saturday, September 24, 2011, 2:00 p.m., at Northside Baptist Church, also in Huntsville. Burial will be at Bédias Methodist Cemetery in Bédias, Texas. Family will receive friends Friday, September 23, 2011, 6:00-8:00 p.m., at the funeral home. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com

“ *Diana and family,
You know that the Class of 1957 at Rusk High School loved Stanley. We all had a lot of fun together in those days of the '50's. The car wash at Cracker Dover's station is memorable. Jerry Russell, Leon Booker, Carolyn Johnson, Sandra Burks, James Booker, Maxine Hassell, myself and so many others in the class always had a wonderful time with many great memories.
Although through the years we drifted apart into our own adult lives, we still remembered those times and precious friendships. Know we are now thinking of you and miss knowing that Stanley is here. But now he is in no pain and in the loving arms of our Lord. When you can, come and meet us sometimes in Tyler. Keep in touch. Our love and prayers to you and yours. Please accept my sincere condolences.

“ We are so sorry to hear about Stanley. Nell, I am not sure you will remember me, but I am Nelta Norton's Twin sister. We lived near each other while growing up in Rusk. I would love to hear from you. I know this must be a hard time for you and your family right now, but when things settle down please contact me. I have often wondered about you and what ever happened to you. Again, we are so sorry to hear about your sweet brother.

“ Stanley and I were newborn babies at Lillie-Duke Hospital in Goose Creek in 1938 (my birth date Oct 31). My mom Katherine Moran and we kids visited the Plaster family in Bedias and Rusk--- many wonderful memories. Boots and Wilma were lovely people and had a wonderful family.

Diana our thoughts and prayers are with you and your family at this time.

“ Diane,
I am away at work and will not be able to be there for the service but I wanted to let you know I am thinking about ya'll. Stanley was a one of a kind person and true blessing to all. He was always writing stuff, now it is time for someone to write about him. That would be a best seller for sure. He was the best.

“ Dear Diane: I have the fondest memories growing up with Stanley..He did so many fun things with Daddy and me. Fishing and hunting with him and going to baseball games at the old "Buffalo" stadium. One time eons ago we stood outside the fence while the St. Louis Cardinals got on the bus and got autographs of the players...so many good memories...Love you for being the perfect wife for him..
