

## Stanley "Stan" Bernard Pazder

September 19, 1935 - February 19, 2017

Stanley Bernard Pazder, age 81, of Montgomery, Texas passed away Sunday, February 19, 2017 after a short term illness.

Stan was born September 19, 1935 in Niles, Michigan to Bernard and Louise (Gast) Pazder. He married his high school sweetheart, Deanna Lee Seastrom in 1956.

Stan loved the outdoors all of his life and spent many hours fishing, hunting, golfing, camping and hiking. He was a Boy Scout leader for many years with his son's troop and led them on "the grand adventure" to Philmont, New Mexico. When he retired from Whirlpool, he and Deanna headed South to Texas helping their son establish a homestead on 25 acres. There he enjoyed raising miniature "Dexter" cows, any opportunity to be on a tractor and soaking up the Texas sunshine. Stan had a lifelong passion for working with wood, building furniture, cabinets and even their first home. Nothing was too challenging to Stan. He lived by the motto, "measure twice, cut once".

Stan will be greatly missed by family, friends and many rescue pets. He is survived by his beautiful, loving wife of 61 years, Deanna; his children, Steve Pazder of Montgomery, Texas, Dawn Laurel (Steve) of Austin, Texas, and Debra Taylor (Tom) of Portland, Oregon; grandchildren, Abby & Ian Laurel of NYC, Alex Taylor of Portland, Oregon; his great grandchild, Emma Leigh

Taylor of Portland, Oregon. Also, surviving are his brothers; Larry (Dixie) Pazder, Rick (Carol) Pazder; sisters, Judy (Lee) Barnes, Claudia (Jim) Prenkert; brother-in-law, Duane (MaryAnn) Seastrom, sister-in-law Sallye (Rex) Krumrie, and brother-in-law Fred Briggs. Stan was preceded in death by his parents, Bernie and Liz Pazder and a sister Janet Briggs.

A celebration of Stan's life will take place in Michigan at a time to be determined.

Online condolences may be offered on the website of Sam Houston Memorial Funeral Home, [www.shmfh.com](http://www.shmfh.com).

“ *We are so sorry to hear about Stan. We think about both of you often as things in our house always remind of you. The "Texas stone" in the backyard, the rock garden, the greenhouse, the "Pooh House", the shelves in the garage. When I see these things I think of both of you with a smile on my face. We love and miss you. Jason, Judy, Matthew, Andrew and Austin and Bill and Mary Jo*

“ *I haven't told this story very often but will share it for Stan. Years ago, when Debbie and I had just married, Stan asked me if I'd like to go fishing, yes was my answer. The next morning we were off. Me with my new sleek fishing pole and Stan with his fold up pocket fisherman. You know, like the ones they sell in TV for \$9.99. I was certain that if the fish were biting, that I'd have a good day.*

*We were in a little boat on some small lake that was familiar to Stan. He told me to fish off one side of the boat and he would fish off the other. Well, after 2 hours Stan had caught 5 fish to my 0 fish. Hum, I suggested that we switch fishing sides. 2 more hours and Stan had 10 in the boat and I was still shut out. I think I suggested we switch poles, still no luck for me.*

*That was the last time Stan invited me to go fishing. 🤔*

“ I'll always remember Stan as one of the finest supervisors, I've ever worked for ( Whirlpool). We had lots of fun with Stan - one of my favorite memories of Working for Stan was the time a live Tom Turkey was placed under his desk - oh what a mess - but laughter for days later. We will miss you Stan.
