Stephanie passed away September 26, 2012 in Montgomery, TX with her Husband and Son by her side. Stephanie was born May 21, 1949 in Fayetteville, NC . Along with being a loving wife and mother, she was also very active, talented, independent, and a caregiver at heart and in deed. Her interests included family, gardening, cooking, traveling, reading, horses, and ceramics. She leaves behind faithful husband James Miller, devoted son Phillip Fowler, loving sisters Claire VanHooser and Billie Jo King, loving brother C. Steve Duryea and a host of in-laws, cousins, nieces, nephews, and many friends. She also leaves behind her loyal friend of 50 years, Connie Snyder Fugate. Special thanks are given to her friend/caregiver, Lorraine "Ella" Hatchett. She, her smile, laughter, and hugs will be sorely missed by all. Stephanie was preceded in death by parents Steve and Eunice Duryea and sister Michele Strickland, all of which will be happily greeting and welcoming her with open arms in Heaven to, once again, be reunited. Her horse, Daisy May, will also be attending. A "Celebration Of Life" get-together will be on October 6, 2012 at Claire VanHooser's house in Magnolia, TX at noon. “ Dear Jim, Phil and family,

Please know how sad I am to hear of Stephanie's passing. What a sweetheart she was and I looked forward to every Gathering Place meeting so I could sit with her and be with her. Her beautiful smile was a wonderful way to start my morning.....and Phil, how she bragged about you - every week she told me about you being SO tall and what a loving son you were to her....I loved her stories of her horse and she always had so much to talk to me about. The last few months she was "different" and I realized with sadness that she would not be able to come to the Gathering Place. Jim, you were always so patient and loving with her and I know that was hard on you too....I miss her so much but I will always have wonderful our memories. (She loved to dance and would twirl me around and laugh and laugh!). She was one sweet gal and my life is better because I knew her. I send my deepest sympathy to you all - with love and friendship, Jan Fitzgerald
