“ Dearest Suzanne,

*I just heard about your Mother, I am so sorry. I wish I would have heard sooner and I would have come. My Father, Horace adored her and Raymond. I have many fond memories of both of them. Sue Anna was a doll, a wonderful person and a great influence on all of us. I know that you are glad she is no longer suffering, but that does not make the pain go away. If you need someone to visit with or just talk or just call, call me at 210-497-8780. I know the feeling, I lost my Mother back in March and know nothing can replace that special person God gave you. Just know that she is resting, has a new body and is having a good time with Katy, Mac, Raymond and Albert. I am sure they are having a grand time without us! Take care. Again, I am so sorry about your loss. Love, Alison*

“ Dan and family, Please know that I was shocked when I learned about your Mom. My parents (Eslie and "Mutt" Monzingo were good friends of your parents as I told you years ago. Both she and Mr. Raymond were special people. Carry them in your heart as I do mine. Norma Dell and Jerry Jones of Lovelady.

“ Dear Suzanne, Dan, et al,

*I can't tell you how sorry we are that we cannot be there for the service tomorrow. Hope you will understand. You cannot know what this special lady meant to me in my life. She was like a second mother to me, when I lost my own at 13. I adored her and I am having a really difficult time accepting her passing. I was just not ready for her to leave us, yet. There never would have been a time that I would have been ready though. She and Raymond were so wonderful to me. They will always have a special place in my heart. I am happy that they are together, again, as they would want it! God Bless you all. Love, Polly Ann and Bob*
