“ Dear Keeland Family,

Most of my memories of Mrs. Keeland are from over 40 years ago when she lived in New Waverly. My first memory of her was when I was 4 or 5 years old and missed my ride home from Vacation Bible School. I tearfully stood alone and waited outside of First Baptist Church not knowing what to do. I guess Mrs. Keeland must have seen me from her house across the street because soon she was there to rescue a scared little girl and drive her home. Other good memories come from her involvement with school activities as Tom and I progressed through school. She was always kind and elegant; beautiful and soft spoken; with an easy laugh and a wonderful sense of humor. Later memories come from seeing her in the Huntsville grocery stores with Mr. Keeland..... always together, always taking care of each other..... a beautiful marriage of 60+ years! I know that each of you have many precious memories of her that will keep her memory alive in your heart. God bless you. Vergie Dotson
