“ Sue was a really cool cousin to me when we were growing up. Have lots of memories of her pusing me on my swing, my first time on a waterbed, and her love of horses, and all the model ones she had. She was a really neat cousin especially to someone that had no sisters.

I will think of her often especially when I see a horse.

She will be missed!!

Just wish I could of attended Memoral Service. - But no one informed us!! You know we Loved you!!

You can ride all the horses you want to now.

Your in great company with my Dad and our Grandparents.

Will see you one day!!!
