

Susan Coville

August 5, 1945 - June 17, 2006

Susan H. Coville passed from this life on Sunday, June 11, 2006 in Montgomery, Texas due to small cell lung cancer. She was born August 5, 1945 in Macon, Georgia to George and Elizabeth Hayworth. Susan has been a resident of Montgomery, living at Walden on Lake Conroe for the past 27 years. She obtained a master's degree in education and taught school, first in The Woodlands, and then in the Montgomery school district. She ended her career at Washington Junior High in Conroe. She is survived by her loving daughters, Laura Lopez and Suzanne Hollifield, of Houston; a sister Beth Rogers, her husband Bill and their children Blair and Ben of San Antonio; her Uncle James Long of Atlanta; nephew Marc Hayworth of Afton, Virginia and nephew Dominic Lopez of Harlingen, Texas. Susan remained close to her former husband's family, the Lopez's of Harlingen, Texas. Susan also leaves behind many cherished friends. She loved to spend time with her daughters, play tennis, thoroughly enjoyed her Tuesday night card games, crossword puzzles, reading, power walks, dancing, talking on her cell phone and just laughing, talking and drinking coffee with her friends. She had a great sense of humor and had a talent for writing wonderful notes and cards that brought a smile to all who received them. Her strong committed Christian faith sustained her throughout her life and especially during her illness. She was a member of Father's House Church in Montgomery. She enjoyed watching and reading Joel Osteen. The information she received from the Lance Armstrong Foundation was especially comforting and encouraging to her. A memorial

service to celebrate her life will be held on Saturday, June 17th at 2pm in the Chapel of Sam Houston Memorial Funeral Home, Montgomery, Texas. You may leave memorial condolences for the family at www.shmfh.com. In lieu of flowers, the family requests donations are sent in Susan's name to the Lance Armstrong Foundation at www.laf.org.

“ *You were blessed to have had such a wonderful mother, sister, and aunt. Susan and I were friends in Columbus and corresponded, after many years, after I heard she was ill. Even with her medical situation, she was as upbeat and positive-minded as she was in our teens and early twenties. Teaching was a great profession for her, allowing her to touch many lives and to spread her joyful view of the world.*

“ *Susan and I first met some years ago when we were both teaching at Willis Elementary in Willis. I loved her honesty and her crazy sense of humor.*

Susan will be missed by so many. We all have such wonderful memories of her.

God give you strength and know that she is not really far away.

“ It was a pleasure to know Susan and get to visit in the last month. I read her this scripture that she agreed was such a beautiful picture, Isaiah 55:12

You will go out with joy and be lead forth with peace. The mountains and hills will burst out into singing before you, and all the trees of the valley will clap their hands.
