“ *Susan and I were friends in high school. We shared several classes in school and fun times in our Tri-Hi-Y Club. Our “NIWIGI” (N-i-wig-i) gave us a safe place to feel confident and step out beyond our comfort zone. It taught us to accept responsibility, learn to help others and have fun at the same time (great lessons for teens). Susan soon stepped up to leadership by being an officer, but it didn't keep this shy girl from cutting up and enjoying the moment. I will always think of her as shy, sweet and quiet... except when she wasn't. We'll miss you, Susan.*
