“ Susan and I have been friends and colleges for many years. We enjoyed time working in Professional Dentistry in the Charlotte Dental Assistant Society and the North Carolina Dental Assistants Association. We traveled to dental conventions and spent many hours together. I have missed her since she moved to Texas. Rest in peace my sweet friend.

“ Hope and family,

Sending my condolences to you and your family during this time. As you know, I only met your mom a couple of times when she came to visit you. She definitely was a mom that loved her kids, grandkids, and enjoyed life. It was a pleasure to have met her.

Hugs,

I never worked with Mrs. Martin , I do know that she took care of Ferguson Dental Clinic ! Being able to handle that place took a lot of hard work and guts . May she rest in peace and blessings of good memories to Her family .
