“ Dear Jim & family, I don't think I can say the right words to express my love for my friend. The first time I met her she was heavy into her chemotherapy and was skinny, pale, bald but when she walked into my office all I saw was the great big smile. I often told her she was the bravest person I ever knew. She was truly an angel that came into my life when I really needed a friend. I know that she's in heaven looking down on us all and telling us not to be sad. Her race is run and she's waiting for us.
