“ *Everyday for the past 8 years you have been a significant part of my life and I was proud to call you mom. Although the past few months were difficult on me and dad I wouldn't trade a moment of them for anything. Braun will greatly miss hugging you and giving you your daily kiss and dad will miss the love of his life. Use your beautiful set of wings and your new legs to carry you to as many garage sales as you can muster. Until I see you again know that you will be greatly missed. I Love You mom!  
Love your adopted son, Eric Deese*
