

Suzanna Jenny Horstman

February 4, 1955 - July 10, 2016

Suzanna Jenny Horstman was born in Kentucky on February 4th of 1955 to Arthur Adam and Irene Beck. She went to be home with our Lord Jesus at 3:00am on Sunday July 10th 2016 in Huntsville, Texas at the young age of 61.

She was very well known as Maw-Maw to her family and close friends, and everyone else knew her as Sue.

Sue graduated from The University of Kentucky with a Bachelor's degree in Nutrition.

She was a natural born leader and held many management positions throughout her working career.

Sue was caring, loving, nurturing and she was your biggest cheerleader. She has never known a stranger and would go far beyond her way to help anyone. She always greeted people with terms of endearment rather than by their name.

Sue's favorite past times included jig-saw puzzles, gardening, and watching the countless hummingbirds from her front porch.

Most importantly she enjoyed being surrounded by her family; especially her grandkids.

Sue is preceded in death by her parents and her step daughter Michelle Horstman.

She is survived by her loving husband of more than 35 years, Bill Horstman; her sons Allen and his wife Norma, Adam and his wife Angie, Anthony and his wife Amber, Aaron and his wife Misty, and step-daughter Carrie Horstman; and her grandchildren Ariel Hogle, AJ Hogle, Elizabeth Hanselman, Sam Hogle, Brittany Hogle, Haven Hogle, Hailey Hogle and Dillon Hogle; her siblings, Becky Ewing, Sissy Turner, Lillian Ewing, Arthur Beck, Johnny Beck, Roberta Herdman, Linda Brossart, and Helen Turner and numerous nieces, nephews, and cousins.

Visitation will be on Thursday July 14th at Sam Houston Funeral Home from 6-8pm.

Funeral services will also be held at the same location on Friday July 15th at 10am.

Full obituary may be viewed and memorial condolences made to the family at www.shmfh.com.

“ *Sue was my first boss when I moved to Huntsville to attend SHSU. She was an amazing person. Sue and her family treated me as one of their own. I was blessed to know her and her family. I am sure that Heaven got a little brighter upon her arrival. May her family sense the fullness of God's mercy, strength, and peace during this time. May God bless you all.*

“ Although I didn't get to see much of my aunt sue, I can certainly remember my childhood being with her! I remember when mom used to watch the boys while she went to work up at the Baptist Home and she would have mom go to Fipps Meats to get the usual Bologna, cheese and bread for our lunch, cereal for breakfast and her good ole Mountain Dew and cigarettes for herself after work! Her laugh was one you could never forget, always smiling and joking around! She was such a happy person! Her and my mom were so very close and loved one another dearly. Now her and mom can be together again and relive the memories that they once had here. I love you Aunt Sue and you rest easy and tell mom I love and miss her! You two be good up there because I definitely know how rowdy you both were here! 🧑🏻‍🦱☁️❤️
