“ *Terry and Connie so sorry for your loss. I remember as a kid playing in the barn, her gardens, and her wisdom and your mom making most of my sisters clothes for her. She was a great woman who accepted what God gave her and never complained. She will be dearly missed.*

“ *My family and I send our love and thoughts to each of you. I have so many fond memories of Aunt Sybil. It was always so much fun to visit with all of you. We loved the fresh vegetables from the garden and the fresh eggs. Aunt Sybil was always quilting and her handcrafts were enjoyed by so many. Her quilts were crafted with love in every stitch. She was a beautiful person who was extremely rich with family and love of life. She accepted life as it was handed to her and never complained. I send my love to all of you and I will always have a place for Aunt Sybil in my heart.*

“ *So sorry to hear of the passing of Aunt Sybil! I have so many memories of her! She always was working on a beautiful quilt or had wonderful vegetables growing in the garden! Whenever we visited her we always left with something she had made or grew! As the years went by, it was such a pleasure to see her at St. Joseph's Homecoming! She will always have a special place in my heart!*

Love, wr8E
