“ Jan,

I was saddened when I heard of the death of your father. Although circumstances precluded my attendance at the visitation and the funeral, please know that my thoughts are of you and your family during this time of grief, and I pray that God's grace will soothe the hurt I know all of you are feeling with the peace that surpasses all understanding.

“ *Fran, Jan, & Family....I was saddened when mom called me....the first thing I thought of is hearing Sylvester calling me "zebe" all those years. He held a special place in my heart and felt like your home was my 2nd home growing up. Thanks for all the great memories and Sylvester will be truly missed. Thoughts and prayers are with each of you... Love you all....*

“ Frances,

*I thank God that you and Sylvester were put into my life, there could
be no greater influence for Bradley and Cory to grow up with. He
showed them how to do all the manly things that I could of never
done, hunting, fishing, repairing things, etc. Most of all though he
showed the how to be good men. He was more like a father figure
to them then just a Grandfather.*

*It is rare to find men like him now-a-days. He will always be missed,
but he will never be forgotten.*

Love,

Michelle Malak

“ Frances-

I was just looking at some pictures recently and found one of when you and Sylvester made a trip with Grandma and Grandpa to Mexico. That was a fun trip. I remember Sylvester always being so kind to me. I will be praying for you and your family. Please accept my dearest sympathy.

“ *I had the priviledge of taking care of Mr. Malak while he was at Conroe Hospital. He was a very kind person who always had a smile on his face. I worked with Janet at Walmart Pharmacy and once worked with Fran at Michaels craft store years ago. My heart goes out to his family. Such a beautiful and loving family. My prayers are with you all.*

“ *What a truly beautiful soul we have all been privileged to know. Sylvester would always greet you with a warm smile and a big hug, and that I will miss. I have so many great memories of eating cake shavings with him while you and momma worked on wedding cakes, and listening to him and Billy Joe tell stories, so much of my childhood was spent at yall’s house. He has a special place in so many hearts. Please call us if we can do anything for you. Our love and thoughts are with you.*
