“Nanny was such a great mother, wife, grandmother, and in law. She showed me that there was no such thing as in law, we were all family. She took this Yankee girl and taught her how to cook right. The Southern way. She even tried to teach me how to quilt. She was so patient. She was very creative as well. She loved me like a daughter. I will miss you Nanny. There is no one like you. Thank you for all you have done for me. I will love you always!!!!
