“ This one is for Tabitha's family. I knew Tabitha for about 4 years. I met her in the apartments on the north side of Temple. We became friends fairly soon after meeting and she was so much fun! Your daughter was one of a kind! I didn't know much about her because she was so private, so it was hard for me to find any information on her services. I just wanted to say that I'm so sorry for your loss. I wish I could have done more to keep her safe and I will be hurting for the rest of my life for that. Bad things always happen to good people, and she was one of the best. I loved her dearly and miss her every day. I still have texts from her and I even printed them all out and I read them every now and then. God Bless her family and friends.

“ Tabitha was a very good friend of mine and of my family. My daughter and I loved her so much. Tab, I'm sorry I didn't make it to your services but I couldn't find any information. I wanted to say goodbye and to tell you how sorry I am that I didn't do more to keep you safe. Friday nights are especially hard since that was usually when I got a text asking if you could hide out with me. I will never forget you, my friend. At least now you aren't afraid anymore. I love you, Tab.

“ *Sylvia, Saz, Adam and Family, I am so saddened by the horrific news about Tabitha. I remember her as a young girl being so beautiful, always a smile on her face. It was fun to keep up on her news through Grandma Rhody. She was so proud of Tabitha! As a mother I can only imagine the pain you are going through. There can be nothing worse than losing your child. My heart aches for you and your family. Please know you are in my thoughts and prayers.*

“ Sylvia, Saz, Adam - I can't find the words to convey the sadness and grief I feel at the loss of our beautiful, sweet niece Tab. My heart aches. Tab brought such joy to the entire family. I will always remember how she lit up the room whenever she walked in, her infectious laughter (giggle, sneezes) and of course her love of life. I cherish all the times I shared with her and will keep her and those beautiful moments in my heart forever. Love you.

“ *Dear Sylvia, Saz and family, I cannot tell you the number of times we have said your names over the last couple of days and the number of times we have prayed that God give you the strength you need to face the days ahead. We are still stunned at the cruelty that exists in our world and the fact that it has invaded our lives and altered your lives forever. God love you and hold you in the palm of his hand. Love, Mike and Shar*
