“ One of my memories with Tammie was the night several of us girls were at her house for a slumber party. It had been raining and kept on raining. We began to hear reports of the SFA Coliseum flooding as well as much of Nacogdoches. That put a damper on our visit because we were all worried about Nacogdoches folks. We were in elementary school at that time. Tammy was such a fun person to be around and I was so saddened to learn of her passing. She was one of my best friends until I left Douglass ISD. Praying for the family.

“ I was so sorry to hear of Tammy's passing I offer my deepest condolences to each member of the family. As her Highschool Basketball coach and teacher she always greeted me with a big smile and pleasant remarks. Whether on the basketball court or in the classroom she tried her hardest on each assignment. If all students where as happy and pleasant as she was there would never be any trouble in schools. I know she will be greatly missed by family and friends. Larry Collier
