

Tatum Bree Tiller

March 31, 2002 - August 29, 2021

Tatum Bree Tiller, 19, of Conroe, TX passed away on August 29, 2021. She was born on March 31, 2002. Tatum graduated from Conroe High School in May 2020, with the dream of becoming a pediatrician. When in school she was very involved in Cheerleading, Volleyball, and Softball, so much that she would make it a point to help the younger kids at cheer camp to assist them in reaching their goals. Tatum was best known for her strong will, faith and the love she had for helping others. She had a smile that was contagious and could make any bad day bright. She loved her family very much. From beach trips with Mom, riding the seesaw with Olivia, hacking her brother Trace's Facebook account to let the world know how much he loved her, to unplugging and unwinding on The Frio with her Dad and Grana. Her passion, love, determination, and strong will are just a few things she will be forever remembered for.

She is preceded in death by her great grandparents Leonard and Frances Winfield, grandmother Virginia (Ginger) Burling and survived by her Mother and Stepfather - Tami and John Redford; Father - Chad Tiller; Brother - Trace Tiller; Sister - Olivia Redford; Grandparents - Kenneth Burling, Carolyn Mims and David Weis, Billy and Carol Tiller, Ed Redford and Lisa Decker; Aunts - Janet Burling, Tanci Foster, Tara Oliphant, Cali Tiller-Wilson, Kinzi Johnson, Dana Young, Wendy Gourley, Kelly Redford, Kristy Redford; Uncles - Larry Winfield, Brad Young, Clint Tiller, Kevin Johnson, Mike Burling, Jason Oliphant, Matthew Foster, Kenny Rey; Cousins - James Dome, Elizabeth

“ *I remembered the first meeting Tatum we were on the same school bus. I was getting on the bus and I looked up and made eye contact with Tatum. Her exact words were "Hi I am Tatum nice to meet you. We talked for maybe half the bus ride just about anything and everything. I asked her when her birthday was and she said March 31st and I said me too and from that moment on I knew I found my Birthday Twin. Years went on Time went by but every year of your birthdays we would be the first to text each other like clock work 12:01 AM rolled around and we both texted each other. It was our thing our joke we go down to the seconds to see who won that year. But Tatum always beat me. Now that she has beaten me to heaven and gained her beautiful wings. I will keep our tradition going with her family. I love you Tatum and may you be at peace and rest. I promise you Tatum to keep our tradition up with Olivia so she knows our Inside Joke.*

“ I have known Tatum since she was walking around with 2 fingers in her mouth and wagging around a blanket. Some of our best memories were in Madisonville. Chad and I decided that we were gonna make a wheel barrel into some kinda crazy ride but the kicker was we were dallied off to Chad's horse mustang and he was gonna be pulling us. 🤪 Yes I said that right. So I get in this new little dare devil ride & Chad takes off & it was all over with. There was no changing my mind. So here we go through every pond, every mud hole in our path. So here comes our girls Tatum Tiller & Kira Thacker runnin for us we were laughing so hard & they more less kicked me out of the wheel barrel & loaded up they hunkered down and away they went. I jumped on Chad's horse red and I was right next to them those girls laughed, screamed, giggled & made some of the funniest faces I'd ever seen them make. Chad drug them up & down Busa Rd., Through the dirt, the mud & they had the time of their life. They had no fear or a scared bone in their body. That was one of the many times that will never be forgotten. At a time like this those memories are more precious than anything in this world. My prayers are sent to all the family as she is going to be missed deeply. I love you with all my heart Tatum. Fly high angel.
