“ To the entire Royer Family:
Please accept my sincere sympathy at this time of loss and sadness. May you Rejoice in the knowledge that Ted is no longer suffering and remember all the good times family and friends have shared over the years.

Kay and I have been close friends for 40 years so I feel like I am a "part" of the family! I am at Kay's house this week and am glad I can be here with her at this time of sorrow. She is sad she can not be with the family at this time, but she is doing well and will be able to travel a bit later. We are with you in spirit, thoughts and prayers.

“ Aunt Dot and my Cousins of Uncle Ted's and their families – I am truly saddened by Uncle Ted's passing and I will miss him very much. I am glad that Svetlana and Edvard were able to meet him and wish I could have introduced Laura to him as well. I know she would have liked him too. I will show her pictures and tell her stories so that she knows how good of a man he was, and how special your family is. My thoughts and prayers are with you, and we will come see you all soon.
