“ When Theresa worked at store 0400 you didn't have to wonder if she would call in because rain or shine she was there. Always ready to assist her customers. Although she transferred to lake Conroe she always had a smile for me when I had reason to visit that store. To her family, I am truly sorry for your loss.

It's been twelve days since I had to say goodbye to you but it seems like forever since I've seen your smile. I love you so much sister and miss you more than you will ever know. Thank you for being my best friend for 63 years. They say it gets easier as the days go by but my days are still just as dark as your final day. You and I have memories only the two of us will ever know. I loved you the day you were born 5-5-55 and loved you so very much more on 2-28-19. R.I.P.
