“ *Dr Rice and Mary our thoughts and prayers are with you. Myself, my mom, Rosie, two brothers Joe and Bruce all remember the good times we had at your place when we were younger with your family. We remember Terry well and always new she would grow up to be such a beautiful lady. We only wish we could have stayed in touch with her in out later years. She will always be remembered as part of our life. We know she is in a better place and soon we will meet with her again.*
