“ Dear Ozmer family, I just received word of Terry going to be with his Lord. I attended school with Terry in Magnolia and always thought of him as a sweet teddy bear. He was a fine gentleman and is now enjoying the beauty and joy of Heaven and the beautiful fellowship of the Trinity. May you feel the love of God during this time of loss. Love in Christ, Yvonne Hammar

“ Linda,
"OZ" always filled a special place in my life. Our mothers were teachers in the Columbia County system. I recall spending the night at your home. Your mom checked my shirt to see that I had hug it properly and buttoned the top button. She said it was fine. I still hang my shirts that way and always recall "OZ"'s statement, "sanders, who showed you how to do that" The manner he delt with his personal life has been an enduring inspiration to me. I hope his death was peaceful. My best regards to you and the rest of the family

“ To all the Ozmer family, I send my heartfelt condolences. I went to high school and graduated with Terry and there was never a more gentle man. He was one of my favorites and a true friend. The last time I saw him was at our 50th High School reunion and I am so grateful for that time.
A sad time for all who loved him.

“ To the Ozmer Family:

My condolences to the family upon the loss of a very good friend and partner during my working career. Terry was a kind and generous Christian person, willing to help anyone with their problems. He was one of the finest professional engineers in the steel industry and assisted many people in their work.

I knew Terry for more than 35 years and I know he will be missed by many people.

I pray for your peace during this time of mourning. May God bring you comfort.

“ To Terry's Family, especially Linda,
I'm so sorry for your loss. May God be with you during this difficult time and the days to come. Terry had become so special to me in recent years, as he visited Magnolia. I'm glad he was able to attend the 50+ reunion and hope he knows how very glad his classmates were to see him again. I'll never forget the wonderful visit I had with him when he made a special stop at my house after I had missed the Magnolia classmate reunion party you gave for him. Terry was good man and the world is a better place for having him with us. All my love to the family. God bless, Carolyn Marriott

“ Dearest Sandy, Bob, Cody, Austin and Ozmer family:
You and your family are in our thoughts and prayers throughout the day as we are deeply sorrowful for your loss. In times of morning, I hope you will find comfort in the word of God. This verse has granted peace in many situations as I have faith it can do the same for you and your loved ones.

Isaiah 54:10

"Though the mountains be shaken and the hills removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed," says the LORD, who has compassion on you.

We pray for your peace and healing in this very difficult time.

“ To Terry’s daughters Karen and Sandy, and his son-in-laws and grandchildren:

I extend my heartfelt condolences for the passing away of your father and grandfather, yesterday. I pray that God will bring each of you His perfect “peace that passes all understanding” ... and will give you grace to bear the loss of your dear, loved one ... in the days that lie ahead.

Terry’s good life, kind and generous spirit will be missed by many, many folks. I also want to now share my thoughts with you all -- about how much your father and my long time friend meant to me personally and professionally.

Terry F. Ozmer, my brother in Christ, former boss and expert pressure vessel engineering design mentor, was my kind and faithful friend for over 30-years. I owe much of my career’s successes in the fabrication industry to Terry -- for his willingness to teach me how to mechanically design pressure vessels correctly, safely and effectively. Throughout his distinguished professional engineering career, Terry (“Oz”) Ozmer, P.E., also mentored many other less experienced vessel engineers and designers who requested his respected assistance. Our mechanical engineering profession and pressure vessel fabrication industry have benefited well from the dedicated design craftsmanship by this great and very wise gentleman.

Terry was a generous and conservative southern gent who was sincerely admired by many and whose life really mattered. He loved God, his family, his friends, his country --- and the Arkansas Razorbacks. He will be long remembered by many. And I thank God for this fine friend’s wonderful life.

See you at the House, “Oz”. Save a seat for me at the Table...

“ Dear Ozmer Family: Phyllis and I are sorry for your loss. Rest assured that Terry is healed and in the arms of Jesus. Terry was a great friend going back to our high school days. If you look up the meaning of friend and gentlement in the dictionary, that will be Terry Ozmer. He will not be forgotten by us old guys who remember him as "Dynamite."

“ Terry was a wonderful person and someone you really enjoyed visiting and talking with. He will be missed. Terry enjoyed the Bible study and we know he is with our Lord. My prayers go out to the family that our Lord will provide you with the strength during this time. Terry has touched a special spot in each of our lives. It is sometime hard to put into words how much a person can play in another person's life. I am glad the Lord put him in my life as a friend.
