“ I am grateful for the opportunity to work with Theresa for many years. The most precious people in her life were Guber, Kerri and Brandy, then she was blessed with beautiful special grandchildren. She is a very special lady.

“ I had the honor of being Theresa’s hair dresser for many years. I always told her God out did himself when he made her hair color, as it could not be recreated. She made me smile & laugh every visit & oh how she loved her family especially the grand babies. Theresa you were a light in this world & I know you are rejoicing with complete peace in Heaven. May God give her sweet family peace here on earth.

“ we moved to Huntsville in 1981 and some of the first people we met were Guber & Theresa. Sam and I worked with Guber at SW Bell and a bunch of years later, I went to work at TDC with Theresa. So we've gone thru life's troubles and treasures, giggles and gaffs, sickness and sadness. This is the worst. We send our prayers to Guber and the girls; y'all know how much she loved you. She taught you all well how to love.

My heart goes out to Chesley, Brandi, Keri, and the sons in law & grandkids.
