“ *Girls, my deepest sympathy to all the family in the loss of this great lady.*

I was proud to call Theresa my friend for 36 yrs and had the utmost respect for her as I watched her raise her girls and step up to the plate to do whatever needed to be done.

The service was lovely and she would have loved the tribute to her Dutch heritage with the blue and white Delft theme , and of course all the colorful tulips.

I shall miss her and treasure my fond memories of our friendship!
