“ *Mary...I am just so sorry for your loss of your Tom! Stunned, as I know you all are. I absolutely loved working with him in the ER... he made the shifts fun and always had that electrifying smile just when you needed it! I hated to see him transfer to the OR, but I know he was happy there. Love and hugs.... Janice Letbetter*

“ *I played hockey with Tom while teenagers together in Uxbridge, and we had a lot of fun doing that. I remember when he first became a member of the Northbridge Fire Department, and stopped by to see him and saw how proud he was to be a fireman. He was a great guy, and I have great memories of him for sure.*

Tom was one of the best people I've ever had the privilege to call friend. My heart is broken at hearing this news. Mary, I remember celebrating with you both after your marriage. He was so much fun to work with, the best partner ever!! I used to say to him "Surely you .....". He would always say back to me " Stop callin' me Shirley"!!! We laughed and laughed because he'd catch me with that quip every single time! My heart and prayers are with you and the rest of his family.

“ Tom was one of the kindest, funniest, and sweetest man I have ever known. When my mother was dying, I came home and found that he had mowed my yard, he didn't want any recognition, any thank you's, he just saw a need and handled it. Little acts like this is what made Tom what he was. My son, grand kids, and myself will miss him terribly. But I am thankful that he was my neighbor and friend. My prayers go out to Mary, all the kids, and the whole family during this time.
