

Dr. Thomas Davies Cherry

October 3, 1943 - August 22, 2020

Dr. Thomas Davies Cherry, M.D., 76, of Grand Lake, Colorado, passed away on August 22, 2020. Dr. Cherry was born in College Station, Texas. He graduated with honors from the University of Texas Medical School in Galveston and went on to become a trusted and beloved physician in Busan, Korea, later serving as Chief of Medicine at Fitzsimmons Army Hospital and completing his medical career as Medical Director at the University of Colorado. In his spare time, he loved hiking, cross-country skiing and spending time with his family and dogs. He was a loving father to his daughter, Anna Frederiksen-Cherry and her husband Joe; his son, Tom Frederiksen-Cherry; and daughter Kirsten Clough and her husband, Matt. Tom was also a doting granddad to Cori, AJ, Kaia and Gunnar. He loved life at his mountain cabin and cracking jokes with his friends and family. Dr. Cherry was preceded in death by his parents, Tom Dunnam Cherry and Minnie Pope Cherry, and is also survived by his sister, Elizabeth Ann Cherry. The family held a private burial in New Waverly, Texas last weekend and ask that any donations made in Tom's honor go toward Parkinson's research at www.michaeljfox.org or to your local animal shelter.

Memorial condolences to the family may be made at www.shmfh.com

“ *Today is my Dr Cherry's birthday. I am still in such grief. He was the most amazing person, i have ever know. I was his assistant for many years and i can never explain how how much his pt's love him. He has been retired for years, i still to this day get asked about our beloved Dr Cherry multiple times a day. I am so proud to have worked with him. His pt's truly love him as i do.*

“ *Ann, I have often thought of your family with great affection. I am saddened to learn of Tommy's passing. It sounds like he had a wonderful medical career and inherited the humor his parents shared. Sending love to you and the family from Fayetteville, AR.*

“ It is with great sadness that we saw the notice of Dr. Cherry's passing. Our condolences to his family. Both my husband and I were his patients at the Lone Tree PCC until his retirement. We hated to see him retire but wished him all the best. We have always asked one of his assistance as to Dr. Cherry's retirement but were always told he was enjoying the time in his cabin in the mountains. He was, in our opinion one of the best and dedicated Dr.'s in the clinic.

“ My condolences to Dr Cherry's family on the loss of a very loveable man. Tom was my PCP from my arrival in Lone Tree in 1994 until his retirement. Aside from his expert care, I cherished most his sense of humor. Two examples. Of the many jokes we exchanged in the examining room, one stands out, Q: “A skeleton walks into a bar. What did he order?” Ans: “A beer and a mop!” I have attributed this one to him many, many times. On one occasion, after he had retired, I met him in our local CostCo and we exchanged pleasantries. I noted that he “was looking good.” He leaned in close and responded, “You need to get your eyes checked!” Tom Cherry will be greatly missed in the years to come. Jack O'Boyle, Lone Tree, CO

“ To the family of Dr. Cherry: I was a patient of his for many years when he worked at Uc Health in Lone Tree. He was a brilliant man and very helpful to me when I was going through a tough time. I remember that he retired and then came back for a brief time which showed his unending love of medicine. I'm glad he was finally able to enjoy retirement and his family. My thoughts are with you at this time.

“ Over the years, and through many moves, I have had many doctors. Few, if any, were as kind and concerned as Dr. Cherry, and I always felt in good hands when visiting him. I trusted him explicitly. Love to his family in their time of mourning.
